

Dear Members

We have a new club policy regarding court sweeping. After much research across the country, we found out that we were the only club that swept the courts and lines after play for our members. The members are now responsible for sweeping the courts and marking the lines after play. It takes less than five minutes. The club will still have staff sweeping courts before the start of the day and at the end of the day. If you have any questions or concerns regarding this new club policy, please contact Naveen Singh at 446-0376.

Sincerely,

Naveen Singh
