

June 24, 2009

To All Sedgwick Members:

We are in the process of developing a framework for a premium membership at SFTC, which will include court sweeping. We welcome input from all members regarding items which should be on offer for the premier membership.

In the meantime, if you would like your courts swept after play, and would prefer to pay rather than sweep, we will charge you \$5.00 per time per court. If you know in advance, we can schedule an employee to sweep and line your court. If you cannot give us advance notice, we will do our best to accommodate your request.

The court sweeping schedule remains the same. We will sweep and line in the morning, at noon and before closing.

Sincerely,

Ron Ferguson
President
